Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	In-Network: \$3,200 Individual / \$6,400 Family Out-of-Network: \$6,400 Individual / \$12,800 Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible</u>?	Yes. Certain <u>preventive care</u> is covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	In-Network: \$6,600 Individual / \$13,200 Family Out-of-Network: \$13,200 Individual / \$26,400 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	Yes. See www.bcbsil.com or call 1-800-634-8644 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

Understanding Reference Based Pricing:

Reference Based Pricing refers to a benefit provided by employers where a pricing cap is set on the maximum amount that the employer will pay for certain medical services that have a wide cost variation. Not all facilities charge the same amount for the same services. For example, in some areas, the cost of an MRI may range from \$500 at one facility to \$3,000 at another facility nearby for the same level of care. Reference Based Pricing limits certain (or specific) benefits to a designated dollar amount.

How does Reference Based Pricing work?

MRI Procedures will pay up to a pre-determined amount called a "Reference Price." If the allowed amount exceeds the reference price, that excess amount becomes your responsibility. The amount above the reference price that you pay does apply towards satisfying your Out-of-Pocket Maximum.

How is the Reference Based Price determined?

Your employer, Zebra Technologies Corporation, selects the reference price.

How do I find a Provider who accepts the Reference Based Price?

- Log in to Blue Access for MembersSM at www.bcbsil.com.
- Select Doctors & Hospitals to find an In-Network provider and determine the Reference Based Price for a selected procedure.
- For assistance, contact Customer Service at 1-800-634-8644.

What procedures are included in the Reference Based Pricing benefit?

You can log in to Blue Access for Members at www.bcbsil.com or call Customer Service 1-800-634-8644 for more information. Upon request a list of In-Network providers that will accept the reference price will be provided to you.

If I have an Emergency does Reference Based Pricing apply?

No. Services performed in connection with emergency care will be paid at the regular benefit level.

What do I do if I do not have access to a Provider who accepts the Reference Price?

You may request an exception. Please contact the Customer Service Helpline at 1-800-634-8644 for more information about the exception process or to request an exception for procedures that are rendered by an In-Network provider whose charges are above the Reference Price.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
