HSA Bank does not provide brokerage/investment services; brokerage services are provided by TD Ameritrade, Inc., member FINRA/SIPC/NFA, and investment services are provided by DEVENIR. HSA Bank, TD Ameritrade, and DEVENIR are separate, unaffiliated companies and are not responsible for each other's services or policies. Self-directed investment accounts are the sole responsibility of the account owner. Carefully weigh the advantages and disadvantages of investing your HSA funds before doing so. HSA Bank and other business entities receive compensation for providing various services to the funds, including distribution (12b-1) and service fees. Your ability to replace losses in the investment account may be limited by the annual contribution limits of your HSA. HSA Bank does not offer investment advice.

Investment accounts are not FDIC insured and they are not bank guaranteed. Investment accounts are not a deposit account, or an obligation of HSA Bank, and they may lose value. They are not guaranteed by any federal government agency. Performance data and ratings represent past performance and are not a guarantee of future results. Investment returns and principal value will fluctuate and investors' shares, when sold, may be worth more or less than their original cost.

You may incur a \$3.00 Monthly HSA Investment Service Fee from HSA Bank. You can avoid this fee if your health savings account at HSA Bank has a balance at or above the balance waiver amount of \$5,000. The Balance Waiver Amount reflects the minimum average daily balance that must be maintained in the HSA Bank Health Savings Account for the calendar month to prevent the Monthly HSA Investment Service Fee from being charged. Only the funds in the HSA Bank health savings account are included in the balance waiver amount.
